Dear Andrew and Kim
Congratulations on the splendid job you both did in producing and presenting the 2004 Royal Melbourne Show Commercial Exhibitors Awards.
Amongst exhibitors, this year's presentation was billed as one of our best yet, and certainly from my perspective I'd agree that you produced a truly outstanding product!
Thank you both, and I look forward to working with you again in the future.

Andrew was fantastic - bubbly, enthusiastic and especially loved by the kids. He has a great ability to make something of nothing and his commentary was both functional and amusing. The addition of being able to perform magic and to entertain the kids was an absolute bonus. Would love to use him again for a similar event.

Hey Andrew...

Well I can certainly say that the performances and professionalism shown by the group on Sat night was awesome, and refreshing to say the least. The crowd was absolutely captured by ALL the performances and I don't think anyone even blinked through the show. Cheers

AFL Events

Dear Andrew,

Just a short note to thank you again for the fantastic job you did for the AFL over the course of the 2004 Toyota AFL Grand Final Week of activities in Federation Square and at Punt Road Oval on Grand Final Day.

Without your assistance in the role of Master of Ceremonies, warm up man, player & talent host and roving entertainer, the daily activities would not have run as smoothly nor be as engaging to our large audience.

Building on from the talented roving entertainers you provided the AFL with last year, we definitely made the right choice in commissioning you again to lead our entertainment requirements for the entire week of activity this year. You were able to easily deal and roll with last minute changes and dealt with unforeseen circumstances with patience and professionalism. You have been a pleasure to work with.

You are one gifted person and I would not hesitate to recommend you to other organisations looking for a charismatic, easy going and extremely talented artistic professional.

Thank you again and kind regards,

Lianne Lim-Joon

Hi Andrew

Just wanted to let you know that you did a fantastic job as MC of the 2004 Commercial Exhibitor Awards on Tues night. You were really great and kept the audience interested and quiet when needed. We've had a lot of feedback from the exhibitors and they all thought the night was great as you were really animated.

The video was also brilliant and it worked well tying you in as MC with the interviewer on the video as well. Well done on a great job!

Hope to work with you again in the future.

Regards
